

- A. A. Khosravi and H.R. Ebrahimi Vishki, The second conjugate space of a Banach \mathfrak{A}^* triple system, Preprint (2017).

SEMINARS:

- A. A. Khosravi, On ternary amenable commutative JB^* triple systems, the 5th Seminar on Harmonic Analysis and Applications, Ferdowsi University of Mashhad, Iran, (2017)
- A. A. Khosravi, The second dual of a C^* -ternary algebra, The 4th Seminar on Functional Analysis and its Applications, Ferdowsi University of Mashhad, Iran, (2016) 315-317
- A. A. Khosravi, On the Second Dual of a JB^* -Triple System, The 4th Seminar on Harmonic Analysis and Applications Kharazmi University, Tehran, Iran, (2016)
- A. A. Khosravi, w^* -separate continuity of triple product for a dual JB^* -triple system, Seminar on Operator Theory and its Applications, Shiraz University, Shiraz, Iran (2015).
